This Year Youth Assembly is being held at Emory and Henry College. The first evening - Monday evening 6/30/14 the youth participate in a project called Stop Hunger Now. It involves packing meals in bags to be shipped to countries where they are needed. This is an awesome project. Laura Lambert has asked for 6-8 volunteers to be there to help set up and pack up/clean up for this. There is an outside non-profit agency who brings everything and coordinates this process.

This is one of the most awesome things I have ever been apart of - its enjoyable work! If you are interested in helping set up (exact time to be announced) please let me know, Jackie Wilson 759-4279
